EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Timothy Corder on 08 January 2010.

Amend/Re-write the claims as follows:

- Claim 25 (Amended) A wound care hydrogel comprising S-sulfonated keratin associated with a water soluble polymer through hydrogen bonding and further comprising a protein cross-linking agent.
- Claim 28 (Amended) A wound care hydrogel comprising S-sulfonated keratin associated with a water soluble polymer through hydrogen bonding.
- Cancel claims 23, 24, 30 and 31.

Election/Restrictions

2. Applicant's elected without traverse of Group II, claims 25-29 in the reply filed on 09 November 2009. Claims 25-29 are directed to an allowable product. Pursuant to the procedures set forth in MPEP § 821.04(B), claims 32-36, directed to the process of making or using an allowable product, previously withdrawn from consideration as a

Art Unit: 1656

result of a restriction requirement, are hereby rejoined and fully examined for patentability under 37 CFR 1.104.

Because all claims of Group IV, previously withdrawn from consideration under 37 CFR 1.142, have been rejoined, **the restriction requirement between Groups II and IV as set forth in the Office action mailed on 09 June 2009 is hereby withdrawn.** In view of the withdrawal of the restriction requirement as to the rejoined inventions, applicant(s) are advised that if any claim presented in a continuation or divisional application is anticipated by, or includes all the limitations of, a claim that is allowable in the present application, such claim may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application. Once the restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 443 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

Information Disclosure Statement

3. The information disclosure statement (IDS) submitted on 19 June 2006 and 23 December 2008 has been considered by the examiner. See initialed and signed PTO-1449's. It is noted that foreign reference AU2002330798, cited on IDS 06/19/06 has not been considered as Applicant has not provided a copy of said reference.

REASONS FOR ALLOWANCE

4. The following is an examiner's statement of reasons for allowance: the claims are drawn to a wound care hydrogel comprising S-sulfonated keratin wherein said hydrogel is strengthened through hydrogen bonding networks by providing polymers such as polyvinyl alcohol or polyvinyl pyrrolidone and wherein said hydrogel has been further strengthened through cross-linking via a cross-linking agent. While keratin hydrogels are not novel, see for example, Blanchard et al. (5,932,552), the use of S-sulfonated keratins to produce said hydrogels, when combined with a polymer and further cross-linked is. Blanchard et al. and the other prior art of record drawn to keratin hydrogels provide no motivation as why one skilled in the art would want to substitute S-sulfonated keratins for the keratins used in said hydrogels and then further modify said hydrogels with a polymer such as polyvinyl polymer and then further modify this by cross-linking all of it. Thus, the combination as disclosed is both novel and non-obvious and **claims 25-29 and 32-36 are allowed.**

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to SUZANNE M. NOAKES whose telephone number is (571)272-2924. The examiner can normally be reached on 7.00 AM-3.30 PM.
